

## NOKEN LUSIM WANPELA PIKININI STAP BIHAIN LONG PAIT BILONG DAUNIM POLIO

**I gat sik Polio i kamap. Yumi olgeta ken stopim dispela sik.**

PNG i no gat sik polio long planti yia pinis. Ol pikinini bilong mipela i stap gut long dispela sik nogut. Nau, polio i kam bek gen long sampela hap bilong kantri bilong yumi. Dispela em i bikpela samting, tasol yumi ken stopim taim yumi wok wantaim.

**Yu gat as bilong bhaintaim bilong ol!**

Longpela taim PNG i nogat sik Polio, i no gat planti pikinini i kisim banis sut bilong ol gut. Dispela i mekim na planti pikinini i no gat gutpela banis bilong bodi. Nau Polio vaires i kamap gen, laip bilong ol pikinini bilong yumi i stap long hevi. Em i bikpela samting tru olsem olgeta pikinini i mas kisim 'banis sut hariap tru.

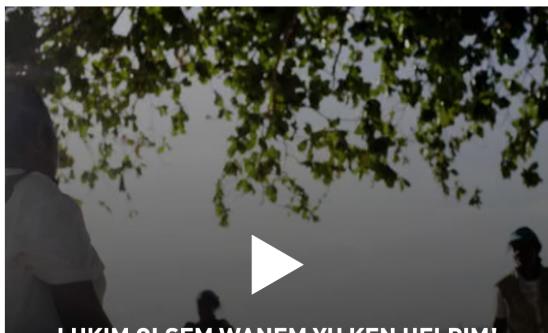

**Bilong wanem sik Polio i kamap?**

Polio binatang vaires i save kalap isi tru igo long ol pikinini husat i no kisim banis sut bilong daunim sik polio na ol narapela sik bilong ol pikinini.

## KAMAPIM SENIS. PINISIM POLIO.

LUKIM OL SEM WANEM YILKEN HEL PIMI

KISIM BILONG LUKIM BIHAIN

Dispela lain vidio i soim bikpela wok bilong ol manmeri na komuniti long paitim sik polio. Lukim stori bilong ol, amamas long wok bilong ol, na lainim olsem wanem yu ken helpim bilong kamapim taim we polio i no stap moa. Wantaim, yumi ken kamapim stori.

[LUKIM VIDIO BILONG LAINIM MOA](#)

Yu ken isi daunlodim dispela pes bilong kisim na serim ol bikpela infomesen long pinisim polio long olgeta taim, maski intanet i no stap. Serim long ol narapela long komuniti bilong yu bilong helpim long soim save na sapotim pait bilong daunim polio.

## Polio inap long mekim man lek han i dai inap long laip taim bilong em

Sori tru, dispela birua i stap Polio em i wanelpa bikpela sik we i save bagarapim bodi. Em inap long mekim pikinini i paralais – dispela i min olsem pikinini inap long lusim strong bilong muvim han o lek bilong em, long laip taim bilong em na long sampela taim em inap long kilim em i dai. Dispela tu i ken mekim hat long ol pikinini long wokabaut, pilai, na stap gut. Sapos yu lukim han lek bilong ol pikinini bilong yu i no strong, hariap kisim ol i go long hausik klostu long kisim tes bilong sik Polio.

**Gutnius em i olsem, dispela inap long stop isi tru, taim em i kisim banis sut.**

## Ol Pikinini Bilong Yumi i Stap Long Hevi!

Nesenel Dipatmen blo Helt (NDoH) i bin skelim dispela hevi na i tok olsem ol pikinini aninit long 10-pela krismas i stap long bikpela heve long kisim sik long dispela sik polio.

**Yumi mas mekim samting nau long banisim ol.**

## Banisim ol Pikinini bilong Yu: Kisim Fri Imuaisesen Sevis

Wanelpa rot tasol long banisim pikinini bilong yu long sik Polio em long kisim sut. Em i seif, em i wok gut, na em i fri.

Ol i bin yusim 'polio banis sut long olgeta hap kantri na i bin helpim planti kantri long pinisim dispela sik. Ol dokta, ol helt wokman a, ol papamama, na ol komyuniti hia long PNG i trastim na mekim gutpela toktok long em.

## NOKEN WET!

Mipela i askim olgeta mama na papa long PNG, long givim sut long olgeta pikinini aninit long 10-pela krismas. Dispela iken banisim sik Polio, maski ol i bin kisim sut bipo. Sapos ol ino kisim wanpela sut, dispela inap putum pikinini bilong yu long hevi.

Kisim ol pikinini bilong yu igo long hausik klostu o long ol helt tim istap long komyuniti bilong yu nau.

Ol pikinini we i go long skul bai kisim sut long ol skul

Luksave long mak istap long pinga

**Plis bringim helt buk bilong pikinini bilong yu sapos yu gat wanpela.**

Sapos nogat, noken wari, pikinini bilong yu i ken kisim sut yet.

Long kisim moa toktok, go long PNG Ministri bilong Helt o polioeradication.org

### WOK BUNG WANTAIM LONG KISIM BANIS SUT BILONG PIKININI BILONG YU:

Namba wan raun bilong kempen long Mainland PNG bai stat long mun Ogas we ol Niugini ailan provins bai joinim kempen long mun Septemba long taim bilong namba tu raun.

### MOA TOKTOK BILONG BANIS BILONG POLIO: OLGETA LUKAUT

#### OL SUT OLTAIM

Pikinini bilong yu aninit long 2-pela krismas bai kisim ol narapela sut we em i no bin kisim, na dispela bai lukautim em long ol narapela sik bilong pikinini olsem 'measles', TB, 'tetanus'.

#### VAITAMEN A SAPLAI (6-59 MUN PIKININI)

Dispela bikpela vaitamin i helpim strongim bodi bilong pikinini bilong yu, na helpim em long paitim ol sik na stap helti.

#### OL MARASIN BILONG RAUSIM OL BINATANG (24-59 MUN PIKININI)

Ol dispela marasin bai helpim long lukautim pikinini bilong yu long ol Binatang insait long bel, we inap long

na 'diphtheria'.

bagarapim ol pikinini long kamap gut.

### MEKIM SAMTING NAU:

#### Lukautim pikinini bilong yu na komyuniti bilong mipela

Olgeta pikinini i kisim sut i bringim yumi i go klostu long wanpela Papua Niugini we i no gat sik polio. Pasin bilong yu tude bai i lukautim pikinini bilong yu, komyuniti bilong yu, na kantri bilong yumi olgeta.

Em i isi, em i sef, na em i fri. Yumi ken stopim Polio gen.

### MIPELA I LAIK HARIM LONG YU!

Plis pulumapim dispela sotpela fom bai mipela i ken stretim ol toktok bilong mipela na helpim long lukautim olgeta pikinini insait long PNG.

Polio em i wanpela birua long ol pikinini insait long komyuniti bilong yu? \*

- Yes, tru tumas
- Yes, ating
- Nogat, ating nogat
- Nogat, nogat tru

Sut bilong sik polio em i gutpela long ol pikinini? \*

- Em i gutpela tru
- Em i seif liklik
- No sef tumas
- Em i no seif olgeta

Ol pikinini bilong yu i kisim marasin bilong sik polio long laspela polio kempen? \*

- Yes
- Nogat
- Mipela i no bin gat wanpela kempen i no long taim i go pinis
- Ol pikinini bilong mi i no bin bon long dispela taim

Bai yu givim polio drop long ol pikinini bilong yu long narapela polio kempen? \*

- Yes, tru tumas
- Yes, ating
- Nogat, ating nogat
- Nogat, nogat tru

Sapos yu bekim 'Nogat, ating nogat' o 'Nogat, tru tru nogat', bilong wanem?

- Sut bilong Polio i no sef
- Polio i no stop long PNG
- Mi no gat ol pikinini aninit long 10-pela krismas
- Famili o wanlain manmeri i no larim

Narapela risen...

The Polio Toolkit is a web-based hub for Social and Behavior Change (SBC) and Digital Community Engagement (DCE) resources, supporting polio eradication efforts. Managed by UNICEF as part of the Global Polio Eradication Initiative (GPEI), it provides evidence-based strategies to combat misinformation, boost vaccine confidence, and enhance community engagement. The toolkit also offers communication guidance for the rollout of nOPV2, ensuring effective outreach across digital and offline platforms.
