Problem Statement

ADAPTED FOR ADDITION TO THE RHIZOME POLIOK.IT PLATFORM 16 JAN 2017

TEMPLATE: Problem Statement

What is the problem?			
What is the manifestation of the problem?			
Level of causality	Behavioral causes	Non-behavioral causes	Sources of information
Immediate causes (these might include program structure, lack of information, lack of capacity, supply distribution)			
Underlying causes (these might include the school system, health service delivery model, infrastructure and are at the government policy and practice level)			
Basic causes (these include sociocultural, political, and economic factors)
